The Class of 1961 began its freshman year in a whirl of studies and orientation. The class showed its potential in its sophomore year with the "Sophomore Shuffle" dance which was very successful! Also in the sophomore year were the One-Act Plays, the theme of which was television spoofs. The sophomore play "This Is your Life" was topped only by the freshmen. The Sadie Hawkins Dance of their junior year was one of the implements which helped to raise money for the prom. As juniors, they were the first class to break the

long-standing tradition of giving a banquet for the reigning senior class, and the first to present the Prom in the school gym. The Prom, which carried the theme of "Hawaii," made up for the absence of the banquet. The senior year was one gigantic whirlpool of studies, Eaglet deadlines, extracurricular activities and preparation for Commencement. Deserving of special thanks were the teachers who sponsored the class in its final year: Miss Benneder, Mr. Carroll, Mr. Hall, Mr. Marquardt and Mrs. Sanida.

Through the Senior Y-Teens junior and senior girls gain a better understanding of the world in which they live. Every month some service to the community is rendered by these girls. Hardworking, they hold car washes, get up buses to go to the away games, and keep the ranks of the Pep Club filled. Senior and Mid Y-Teens unite forces annually for special events.

The Drama Club is an industrious group at B.H.S. that presents plays for the public's entertainment. The school play "Harvey" was highly successful and enjoyed by all. The members attend lectures on the theater, such as costuming, make-up, lighting and execution. This year the Club saw George Bernard Shaw's "Pygmalion" presented by Kent State University Drama Society.

The Future Teachers of America is a club that helps its members to decide whether this is the profession they want to enter. The Junior and Senior members of the club observe actual classes twice-a-year. The club as a whole takes field trips, this year touring Mount Union College and Western Reserve University. The background obtained from this organization is invaluable for planning for college.

The football team of 1960 showed great ability under the able coaching of Coach Bob Marquardt, assisted by Mr. Edward Pohjala and Mr. Thomas Waltz. However, due to unforeseen injuries to vital players, the team was not able to play up to its potential. Brooklyn placed third in league competition by winning two out of the five league games played. Although the year could have been more successful, there were many bright spots for the team. Three boys made the All-West County Team.

This year the basketball team of Brooklyn High was hampered by the fact that only two senior players were able to finish out the year. Harvey Warner was the high point man and also led the county in scoring. The other senior, Jim Gudin, was also valuable in his efforts to gain the ball for Brooklyn. Jim, because of his actions on the floor, helped Brooklyn put on a good showing.

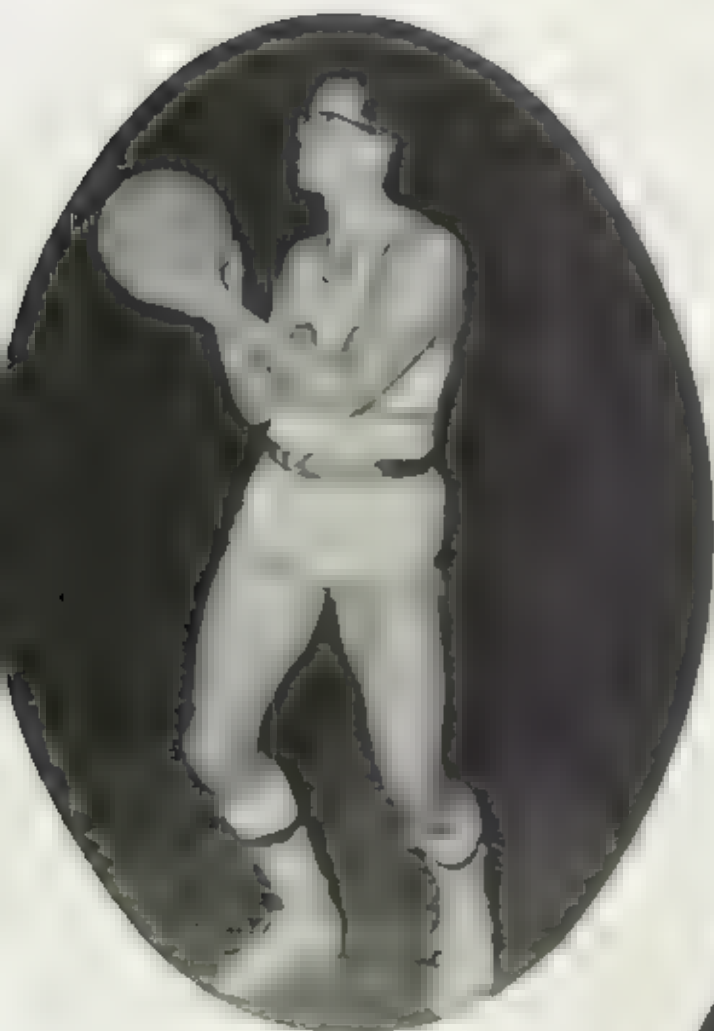

Even though this year's team won only seven games out of the nineteen played it will greatly benefit next years team since six members will return. We wish them all the luck in next years games and hope that they will be successful in obtaining the West County Championship.

This year the Brooklyn matmen, in their first year of league competition, made a good showing on the mats. This was made possible by hard work on the part of the team and also by the great coaching of Mr. Joy. As a result of this winning combination the team started the year off by beating Strongsville 53 to nothing. The success of the team was also helped along by the fact that the team possessed good team spirit at practice and also at the meets. This could be seen by the way the team members helped each other at practice and the way they conducted themselves at the meets.

Next year the team will be handicapped by the loss of three members that will graduate this year. Therefore the team of '62 may not have the superiority in knowledge, but they should win.
